## EDUCATION IN FAITH

Dear Lord,

As we travel through this season of Lent, give us the grace to trust you, the desire to pray to you, the strength to fast for you, and the mindfulness to encounter you in those who are in need.

As each day in this season gets a little bit longer, draw us ever closer to your love and your mercy, and to the joy that awaits us when we encounter you in the breaking of the bread.

Lord, be with us, and hear our prayer.  
Amen.

At his General Audience on Ash Wednesday, Pope Francis described Lent as a journey of hope. He described Lent as a period of repentance, in preparation for Easter. As we progress through the second week of Lent it can become harder to keep our Lenten promises and keep Jesus' sacrifice at the forefront of our minds. I have chosen this prayer as a reminder to remain hopeful and close to God during this season. In the words of Pope Francis (on Twitter) "Let us strive to fast during Lent with a smile, rather than a long face."
