## EDUCATION IN FAITH

Practice the pause  
When in doubt, pause.  
When angry, pause.  
When tired, pause.  
When stressed, pause.  
And when you pause, pray.

As we creep closer to the end of Term 2, energy and patience starts to run low for everybody. I love this little prayer to remind us all to pause and consider our response or reaction, especially when we are feeling tired or stressed, it is easier to pause than to apologise or explain!! It also reminds us that we are able to lean on God during these times and through prayer we can ask for his help and guidance.

Mrs Renae Zorzi  
Education Assistant.
