## EDUCATION IN FAITH

If I were a butterfly

If I were a butterfly

I'd thank you Lord for giving me wings.

If I were a robin in a tree

I'd thank you Lord that I could sing.

If I were a fish in the sea

I'd wiggle my tail and I'd giggle with glee.

But I just thank you Father for making me,  
me

### CHORUS

For you gave me a heart

and you gave me a smile.

You gave me Jesus

and you made me your child.

And I just thank you Father for making me,  
me

If I were an elephant

I'd thank you Lord by raising my trunk.

If I were a kangaroo

You know I'd hop right up to you.

If I were an octopus

I'd thank you Lord for my fine looks.

But I just thank you Father for making me,  
me

If I were a wiggly worm

I'd thank you Lord that I could squirm.

If I were a fuzzy, wuzzy bear

I'd thank you Lord for my fuzzy, wuzzy hair.

If I were a crocodile

I'd thank you Lord for my great smile.

But I just thank you Father for  
making me, me

This children's song is to be sung by our Junior Primary classes at their Liturgy on Thursday 23rd February at 11am. It teaches us about the importance of thanking God for who we are and what we can do that is special to us. I think it is important for everyone to sit down at the end of each day and thank God for something that happened that day, it doesn't matter if it was something small or a bigger event. In many ways this is like praying to God, once you have become comfortable with this form of prayer you can go on to thank God for events or things that have happened in other peoples lives.
