A Father's Day Prayer

God,
Bless all the fathers in the world. Father, we ask that You guide them to be good role models and loving to their children. We also ask that You help them to be a father like You are. Give them grace and patience to handle situations in a loving way.
Amen

To all of our St Joseph's Dads Happy Father's Day for this coming Sunday. I truly hope you all get spoilt and have the most wonderful day with your loved ones.

Father's Day is a special day to most of us. It is a day to spend with our Dad's. It is a day to call them up on the phone and say 'Hello, I love you and thank you!' It is a day to talk to them and tell them how much they mean to us.

But for some of us, it is also a sad day. For some it is a day to remember them with the utmost love and respect. It is a day to honour their memory. For me it is a bitter sweet day. I lost my Dad 28 year ago now – and there isn't a day that goes by that I don't think of him.

My Dad was my first hero and he still is my hero to this day. My Dad was the most selfless and most forgiving man that I had ever met. He worked hard for his family, he provided for them. He taught us about respect and he taught us about love and compassion.

As a Mum, Father's Day takes on a much different role. One that I am so proud of. I would have loved for Darcy to have met his Grandad. I see so much of my Dad in him. His sense of humour, his strong loyalty to his family and his friends and his beautiful caring nature to those whom are smaller than him.

But Darcy has his own Dad who is the centre of his world. For him it is a day that they are able to share together. Cooked breakfast in bed, opening of a few small gifts, lots of laughs and tickle fights and who knows what else. For Darcy it is day to thank his Dad for all that he has done for him.

I thank God for giving me 20 years with my hero. I thank God that he gave me the best role model a daughter could ever have asked for. I thank God for my Dad every day. I thank God that I am able to share the love and joy of what Father's Day means to my own son. I thank God every day for all those Father figures in my life who have helped make me the person I am. Happy Father's Day to all the Super Heroes.
